

*U.S. Consumer Product Safety Commission – Recall*

**Recall Date:** November 8, 2016

**Recall Number:** 17-029

## **Lithonia Lighting Recalls Commercial Luminaires Due to Risk of Injury**

### **Recall Summary**

**Name of Product:** BLT series commercial luminaires

**Hazard:** The plastic lens on the luminaire can detach and fall unexpectedly, posing a risk of injury from impact.

**Remedy:** Repair

Consumers should remove the lens and contact Lithonia Lighting to receive a free repair kit to secure the original lens. Consumers should prevent people from going into the immediate area under the fixtures until the lenses are removed or the luminaires are repaired. A video showing proper lens removal and installation of the repair kit is available at the firm's website at [www.lithonia.com/bltvideo](http://www.lithonia.com/bltvideo)

**Consumer Contact:** Lithonia Lighting toll-free at 844-675-2339 from 8 a.m. to 5 p.m. ET Monday through Friday or online at [www.lithonia.com](http://www.lithonia.com) and click on BLT Recall on the left side of the page for more information.

### **Recall Details**

**Units:** About 398,000

**Description:** This recall involves Lithonia Lighting BLT series luminaires intended for use in indoor, commercial applications, such as office buildings, schools and stores. The low-profile, recessed LED luminaire is a metal light fixture in a white finish with a rounded or square plastic lens. The fixtures measure about 1, 2 or 4 feet long and 1, 1.5 or 2 feet wide. Only non-sensor luminaires with a manufacture date from October 2015 through August 2016 are included in this recall. Lithonia Lighting, the model and date of manufacture can be found on a label attached to the fixture's housing and on the product packaging. The date code on the fixture's housing's label is in a MM/DD/YY format. The date code on the packaging is in a YYYY/MM/DD format.

**Incidents/Injuries:** The firm has received 107 reports of plastic lenses falling from the luminaire. No injuries have been reported.

**Sold at:** Lighting and electrical supply distributors nationwide and online at 1000Bulbs.com, Amazon.com, ATGStores.com, Build.com, HD.com, ShineRetrofits.com, and Wayfair.com from October 2015 through August 2016 for between \$150 and \$250.

**Manufacturer:** Lithonia Lighting, a division of Acuity Brands Lighting, Inc., of Conyers, Ga./ Acuity Brands Lighting, Inc. of Conyers, Ga.

**Manufactured in:** United States and Mexico

**About U.S. CPSC:**

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the

nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to [www.SaferProducts.gov](http://www.SaferProducts.gov) or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired. Consumers can obtain news release and recall information at [www.cpsc.gov](http://www.cpsc.gov), on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC's free e-mail newsletters.
