Lithonia Lighting Recalls to Repair CFMK Brackets used to Surface Mount CPANL LED Panels

CFMK Bracket

CPANL Surface Mounted

Our records indicate that you may have purchased a CPANL LED panel with included CFMK Bracket or a stand-alone CFMK Bracket. The CFMK Bracket may not securely surface mount the CPANL, allowing the fixture to fall from the CFMK Bracket and pose a falling hazard. To order a free CFMK surface mount repair kit, visit lithonia.acuitybrands.com and click on "CFMK Recall" on the bottom of the page or call 855-307-2454 from 8 a.m. to 5 p.m. ET Mon – Thurs.
