

Create a sense of space

Peerless<sup>®</sup>  
Venue<sup>™</sup>

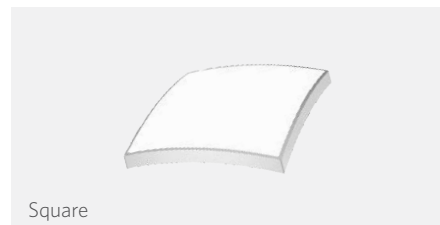

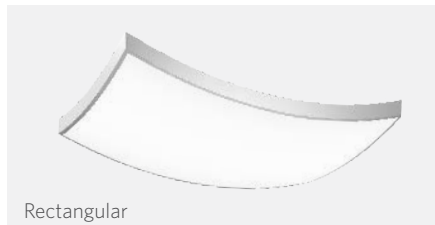

Peerless<sup>®</sup>

## Two shapes

Rectangular and Square

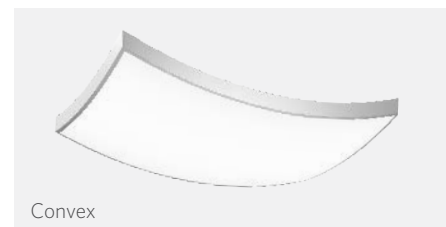

## Introducing Peerless® Venue™

Specifically designed for open ceilings, Peerless Venue is a big, suspended luminaire that delivers an even bigger design statement. Unmatched aesthetics. Visual comfort. Uniform illumination. All in one solution that defines spaces where people gather, collaborate, and thrive.

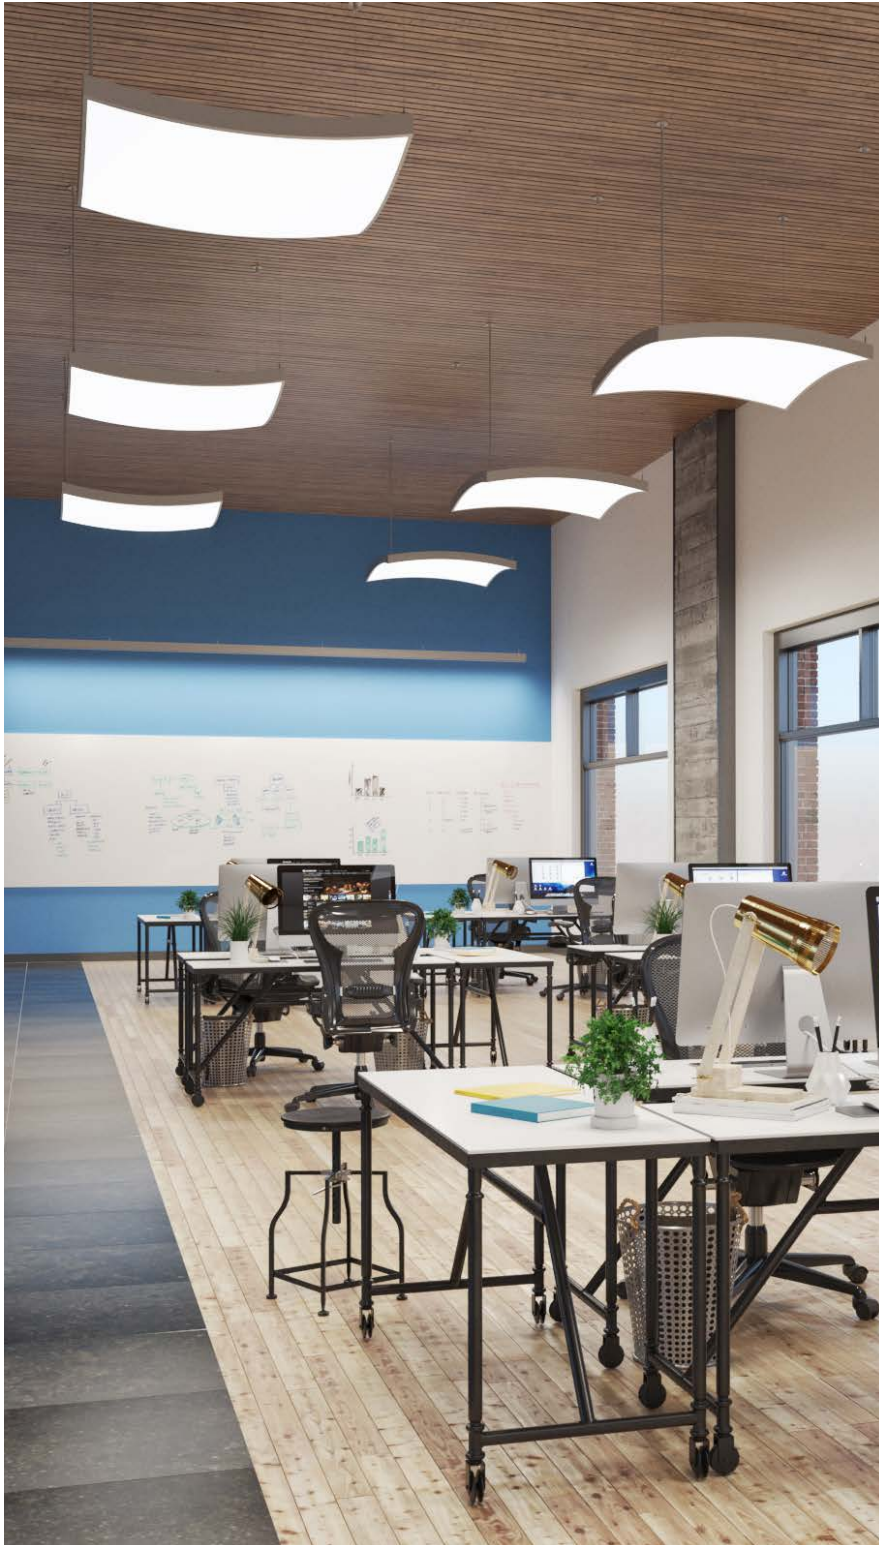

### Two curvatures

Rectangular and Square

## Create - and customize - a sense of place

### Lumens

Delivers up to 15000 lumens depending on fixture size.

### Controls

nLight® wired and wireless controls for unsurpassed connectivity.

### Construction

One-piece thermoformed automotive grade polymer housing.

### Dimming Options

Optional dual dimming with an eldoLED® driver provides independently specifiable uplight and downlight.

### Dynamic Options

Optimize lighting with Tunable White.

### Color Temperature

Available in options from 2700K to 6500K at 80 CRI.

### Shielding
